1. EDUCATION (degree, year awarded, institution, primary focus/major)

BS Wood Science Michigan Technological University 1978

2. EMPLOYMENT EXPERIENCE

1978 - 1982 US Forest Service - State and Private Forestry

1982 - 2011 Weyerhaeuser

3. STUDENTS MENTORED (past four years)

I did not have direct involvement mentoring students, however, whenever possible I recruited at universities for summer interns from their wood science programs. This gave students experience in composite products manufacturing.

4. PRIMARY RESEARCH AREA WITH UP TO FOUR CURRENT RESEARCH PROJECTS

During my 30 year career with Weyerhaeuser I was primarily involved with OSB manufacturing beginning with the start-up of the company's first OSB mill. Over the years this meant working with code agencies; developing new, innovative products; establishing QMS systems; supporting sales and manufacturing; guiding the evolution of OSB as alternative resin systems and species mix were required.

5. PROFESSIONAL ACTIVITIES AND ACHIEVEMENTS (Memberships, Editorial boards, professional society leadership roles, awards, honors)

6. PUBLICATIONS (3-5 most important contributions (publications, seminars, graduates, etc.)
