

Assistant Professor

Position Announcement

Department of Sustainable Bioproducts,

Forest and Wildlife Research Center, College of Forest Resources

Division of Agriculture, Forestry and Veterinary Medicine

Mississippi State University

Position Function:

The Forest and Wildlife Research Center/College of Forest Resources, Mississippi State University is seeking to fill a 9 month, Tenure-track, fulltime, Assistant Professor Position with research, teaching and service responsibilities in the Department of Sustainable Bioproducts.

Essential Duties and Responsibilities:

Primary responsibilities include develop and conduct a program of teaching, research, and service in the Sustainable Bioproducts Department and College of Forest Resources. Program area emphasis will be in building systems, mass timber, logistics, industrial engineering, or an affiliated area. The candidate will be expected to build a nationally recognized program, collaborate within the Department, College, and University as well as with external stakeholders; teach undergraduate and graduate courses, advise students, assist in programmatic curriculum development, recruit undergraduate and/or graduate students, provide internal and external service and outreach, and perform other departmental and or collegiate responsibilities as appropriate. This is an in person job, located in Starkville, MS.

Minimum Qualifications:

The successful candidate must possess a Ph.D. from an accredited institution of higher learning in forest products, forest and/or natural resources, industrial engineering, forestry, or an allied scientific discipline as appropriate.

Preferred qualifications:

Particular consideration will be given to candidate with expertise, experience, and/or high potential in the topics outlined above along with demonstrated experience in teaching, research, and/or service in forestry, natural resources, or related programming.

Instructions for applying:

All applicants must apply on-line at <http://www.msujobs.msstate.edu/>

Attach required documents: Cover Letter, Resume/CV, Research Plan, transcripts of all degrees, and names and contact information of three professional references. Screening of applications will begin September 6, 2022 and continue until the position is filled. Skype/video conference Interviews may be requested.

NOTE: Official transcripts of all degrees will be required upon employment.

MSU is an equal opportunity employer, and all qualified applicants will receive consideration for employment without regard to race, color, religion, ethnicity, sex (including pregnancy and gender identity), national origin, disability status, age, sexual orientation, genetic information, protected veteran status, or any other characteristic protected by law. We always welcome nominations and applications from women, members of any minority group, and others who share our passion for building a diverse community that reflects the diversity in our student population.

Mississippi State University is an AA/EOE.
